CCMA processes personal data of all inquirers deemed necessary for the proper organization and fulfillment of the CCMA program operations. I understand and accept that CCMA may process my personal and sensitive information ("personal data") during the inquiry and application process and may transmit such data to third parties for any purpose reasonably required for the proper organization and fulfillment of the CCMA program operations. I understand that my personal data will not be sold or otherwise transferred to third parties for any other purpose and that CCMA will transfer and store personal data in central databases in at least two locations to ensure that the data is not lost. These databases are restricted and can only be accessed by CCMA employees, consultants and volunteers who use such data exclusively for the management of the CCMA program operations. By accepting (clicking the acceptance button), I explicitly acknowledge that CCMA is entitled to process the personal data being provided by me (including all sensitive data being provided) in the manner described above. (The term `process' for these purposes includes obtaining, recording, holding, transferring, adapting, disclosing, erasing and otherwise using data.)
